

2005 Château Moulin de Curat

WHO: Chateau Moulin de Curat

WHAT: Merlot (60%) Cabernet Franc (35%)
and Cabernet Sauvignon (5%)

WHEN: 2005

WHERE: France, Bordeaux, Libournais

This is a terrific early drinker from a vintage with so many wines worthy of long-term cellaring. There is very little evidence of wood, as the wine maker obviously decided to let the grapes speak for themselves. Blackberries and blackcurrants have a background of tobacco, all wrapped gently in leather from smooth tannins. The finish was long, the flavor lingering for half a minute or more.
