

2005 Darioush Signature Shiraz

WHO Darioush

WHAT Shiraz

WHERE California, Napa Valley

WHEN 2005

If you like wine big, really big, the kind of wine that punches a fist straight out of the glass and into your nose, then crashes around your palate with different flavors and textures duking it out for your attention, then this is the bottle for you. Hot alcohol, bruised cherries, black pepper, nutmeg, chocolate, coffee, and even some dried orange peel fight a cage match for you attention, all on a canvas of surprisingly gritty but sweet tannins and a very long finish.
