**2005 Domaine Fouassier Vine  
de Pays du Jardin**

WHO Domaine Fouassier  
WHAT Sauvignon Blanc  
WHERE France, Loire Valley, Sancerre  
WHEN 2005

The color is a very clear bright yellow. Yellow fruit, barely ripe banana and some star fruit and a touch of Zweiback, then grapefruit pith and some grass, make up the palate. It seems a little fat, a bit low in acidity.
