

2007 Edmeades Winery Zinfandel Mendocino

WHO Edmeades Winery

WHAT Zinfandel

WHERE California, North Coast, Mendocino

WHEN 2007

This wine was a massive amount of fruit on the nose. There was absolutely no heat on the nose even though the ABV was a whopping 15.2%. The taste brought forth some very big blackberries, vanilla and medium spice at the finish. Overall, this was very smooth, velvety and full of fruit.
