2006 Eric Kent Wine Cellars Pinot Noir Stiling Vineyard

WHO Eric Kent Wine Cellars

WHAT Pinot Noir

WHERE California, Sonoma County,
Russian River Valley

WHEN 2006

As delicious as I imagined it would be when I tasted it from a barrel sample in summer 2007. This wine is still young, and deserves a few more years in the bottle to further integrate its blackberry, clove, black tea, and vanilla flavors and aromas. Very rich, with nice focus that carries everything seamlessly from the initial attack through the finish.
