

## **2008 Espiritu de Argentina Mendoza Torrontés**

WHO Espiritu de Argentina  
WHAT Mendoza Torrontés  
WHERE Mendoza, Argentina  
WHEN 2008

I tasted this wine with a paired dinner at Destino in San Francisco, with winemaker Luis Villarreal. The color of the wine was light yellow and featured a nose that was filled with heavier florals that were almost Viognier-like with some tropical fruits, as well. The mouth also had those great tropical too, with a very crisp acidity of citrus. Another solid value from this new producer!
