

2008 Tormaresca Neprica Puglia IGT

WHO Tormaresca

WHAT Blend of Negroamaro, Primitivo,
and Cabernet Sauvignon

WHERE Italy, Puglia

WHEN 2008

Fantastic value in Italian reds, this blend of Negroamaro, Primitivo, and Cab had bright berry and cherry aromas and flavors. There were spicy notes of licorice and black tea in the palate, with a nice lift of acidity. Highly recommended, and drinking really well right now.
