

2007 William Hill Winery Chardonnay

WHO William Hill Winery
WHAT Chardonnay
WHERE California, Napa Valley
WHEN 2007

A round, fleshy style of Chardonnay with notes of apple, sour cream, and flowers in the aromas. There is lots of creme fraiche and apple on the palate, too, which turns more buttery towards the finish. Handsome example of an integrated-oak chardonnay for those who prefer this style, and a bargain for the price (most wines worth drinking with this profile are over \$30).
