

2008 La Stella Vivace

WHO La Stella
WHAT Vivace (Pinot Grigio)
WHERE Canada, BC, Okanagan
WHEN 2008

La Stella Vivace is a fine example of the Okanagan coming through in the grape. Grown sustainably and organically, the Vivace is crisp and refreshing with citrus and green pears on the nose. The palate reveals a touch more citrus, a juicy splash of green tree fruits (apples & pears), hints of tropical fruit (think: pineapple) and an undertone of sage and stone that reminds me so much of the desert.
