

## **Mission Hill Quatrain 2006**

WHO Mission Hill

WHAT Shiraz, Merlot, Cabernet Franc,  
Cabernet Sauvignon

WHERE Canada, British Columbia,  
Okanagan Valley

WHEN 2006

Quatrain is absolutely striking in its exuberant fruit, concentration and smooth, silky tannins. The blend of shiraz, merlot, cabernet franc and cabernet sauvignon could feel over the top, but its relatively moderate alcohol (13%) and good acidity keep it food-friendly and balanced.
