Loosen Wehlener Sonnenuhr  
Riesling Beerenauslese**

WHO Weingut St. Johannishof Dr. Loosen

WHAT Riesling, Beerenauslese

WHERE Germany, Mosel Saar Ruwer

WHEN 1976

The color is dark, like dark golden honey. On the nose, then on the palate, there is incredible richness. It starts with a melange of fruit, baked apples and tart fresh apples, dried apricots, all drizzled generously with honey, followed by toasted sugared nuts. It still has a brilliantly balanced acid zing running through the fruit. This is marvelously rich and balanced, with a finish that lasts forever.
