

## **2000 Moccagatta Barbaresco Basarin**

WHO Moccagatta

WHAT Nebbiolo

WHERE Italy, Piedmont, Langhe,  
Barbaresco

WHEN 2000

Long, dense, and generally not my style of Nebbiolo... but this wine turns the trick of amping up without losing the varietal character. A nice current of iron flows through to make sure the sweet fruit doesn't become cloying. It gets pretty oaky without being a jerk about it. Beautiful with butternut squash / beef stew. E.D.
