2007 Trio Vintners Riot Red Table Wine, Columbia Valley

WHO: Trio Vintners

WHAT: Sangiovese, Syrah, Mourvèdre

WHERE: Columbia Valley, WA

WHEN: 2007

An aptly named riot in the glass. A nose of fresh cherries and berries jumps out in your face. There is youthfulness in the palate and yet the complexity makes it a very age worthy wine that makes you want to revisit later. Can't beat the price for the quality. CMW
