## **Sumac Ridge Sparkling Gewürztraminer – Okanagan Valley, BC**

WHO: Sumac Ridge Estate Winery

WHAT: Gewürztraminer

WHERE: Okanagan Valley, BC

WHEN: NV

When first poured, the wine shared aromas of citrus and tropical fruits, along with floral and honey notes and an exotic spiciness. The palate, however, didn't produce what my nose told me to expect. At all. I got some floral, spice, and citrus on the palate, but the elements didn't come together. I found its sweetness cloying, not in harmony with its acidity and fruit. KR
