## **2006 Santa Quiteria Almansa Loma Gorda – Spain**

WHO: Santa Quiteria

WHAT: Grenache, Syrah

WHERE: Almansa D.O., Spain

WHEN: 2006

This is just absurdly good for the price. Blackberry, mulberry, and black cherry all float above a cloud of cigar smoke and tar. There is also a tremendous mineral streak of molten rock. Tannins are taught but smooth. Drink with a pot roast and both will be better for the pairing. DH
