2008 Indaba Chenin Blanc – Western Cape, South Africa

WHO: Indaba

WHAT: Chenin blanc

WHERE: Western Cape, South Africa

WHEN: 2008

Pear and melon on the nose. On the palate, melon, peach, pear, and white pepper. It balances a round mouth-feel with bright refreshing acids. This has an excellent quality-to-price ratio. Pair it with a hot summer day and a bowl full honeydew and cantaloupe melon balls. DH
