## **2008 King Andrews Muscat Blanc – Suisun Valley**

WHO: King Andrews Vineyards

WHAT: Muscat

WHERE: Suisun Valley, California

WHEN: 2008

Nothing problematic about this wine, but nothing particularly attention-grabbing about it, either. If you like the sweet version, be forewarned that this is made in a somewhat drier style. The winery describes it as citric with hints of grapefruit and recommends pairing it with thin-sliced pan-grilled turkey breasts. AP
