2008 kopriva Unoaked Chardonnay – Carneros

WHO: kopriva wine

WHAT: Chardonnay

WHERE: Carneros, California

WHEN: 2008

Pale, metallic, and straw-colored but quite clear. That color carries through in another sense on the nose with slight dry straw and additional citrusy hints. Grapefruit, pineapple, and hints of other fruits ranging from tangy to tropical in concert with mineral notes. On the palate it is fruity at the front, mouth-filling in the middle, with a crisp acetic flourish at the back. WA
