

## **Wine of the Week**

### **2008 Olson Ogden Pinot Noir, Manchester Ridge Vineyard**

WHO: Olson Ogden

WHAT: Pinot noir

WHERE: Mendocino, California

WHEN: 2008

When first opened it is a full plate of heavily smoked meat, like slow-smoked pork with a perfect pink ring. After a couple of hours of decanting, though, the red fruit comes through with nuances of tiny wild strawberries, Michigan cherries, and some cranberries. The finish is long. This is very good wine and a terrific bargain. DH
