2008 Undone Pinot Noir – Rheinhessen

WHO: Undone

WHAT: Pinot noir

WHERE: Rheinhessen, Germany

WHEN: 2008

The best to be said of this wine is that it is interesting. Chances are, neither you nor the person you pour this for will have had an unoaked Pinot Noir from Germany before. Once you have tried this thin, cherry-licorice flavored attempt, you will both be able to say you have. DH
