## **2009 Soléna Estates Pinot Gris – Willamette Valley**

WHO: Soléna Estates

WHAT: Pinot Gris

WHERE: Willamette Valley, Oregon

WHEN: 2009

Nose of green apple, pear, hint of minerality, more floral as it opened up. Lush texture, with the green apple carrying through, and citrus. The wine has a wonderful mid palate density for a stainless, non malolactic white wine, with fruit and acidity that is present at front, mid, and finish. It drinks wonderfully on its own, and would pair well with lighter fare. WA
