## **2007 Núvol Monastrell**

WHO: Núvol

WHAT: Monastrelle

WHERE: Yecla, Spain

WHEN: 2007

A big mouthful of licorice and purple fruits, with some unsweetened chocolate undertones, a real tooth-stainer, with a spicy follow-through. Tannins are solid, almost chewy. The finish falls off rather quickly, but the Quality to Price Ratio (QPR) is very good. Drink with beef ribs.
