## **2009 Long Gamma White Blend – Sonoma County**

WHO: Long Gamma Cellars

WHAT: Sauvignon blanc, Viognier, Gewürztraminer

WHERE: Sonoma County, CA

WHEN: 2009

The color is a clear, bright pale yellow, with a slight green hue. The hints of grassiness and grapefruit are there, just a bit subdued. Interwoven are subtle citrus, peach, and honey aromas. In the mouth layers of peach, subtle lime, and green apple. A touch of minerality and wet stone mid palette. Great mouth feel and excellent balance, that ends in a lingering, slightly mouth watering finish, pleasing acidity. WA
