Willamette Valley Vineyards Quinta Reserve Pinot Noir Port

WHO: Willamette Valley Vineyards

WHAT: Pinot noir

WHERE: Willamette Valley, OR

WHEN: 2007

This wine shows concentrated flavors of black cherries, ripe black plums, and sweet strawberries with well-integrated silky dark chocolate and a sensually exotic spice that lingers on the delightfully long finish. The 9.3% residual sugar and 18% abv are well balanced by good acidity, giving the wine good structure and drinkability. TB
