2006 L'Ecole No. 41 Cabernet Sauvignon

WHO: L'Ecole No. 41

WHAT: Cabernet Sauvignon

WHERE: Walla Walla Valley, Washington

WHEN: 2006

Loads of red fruit, cherries, red currants, and some cranberry flavors are up front, but are augmented in the mid-palate by some eucalyptus, loam, and unsweetened chocolate. Tannins are dusty, almost gritty. Unripe green flavors come through and linger on the finish. Drink with filet and lots of mushrooms sautéed in too much butter.
