2010 Georges Duboeuf Beaujolais Nouveau

WHO: Georges Duboeuf

WHAT: Gamay

WHERE: Beaujolais, France

WHEN: 2010

A nose of overripe berries and apples is somewhat promising but the follow through is both surprising and disappointing. The fruit seems short and tart, especially for a Nouveau—more like cranberry—and the finish is short. Even if you like this sort of thing, I cannot, even putting my predilections aside, recommend this one. GT
