

## **2000 Chateau Le Gay**

WHO: Cheateau Le Gay

WHAT: Red Bordeaux blend

WHERE: Pomerol, Bordeaux, France

WHEN: 2000

Very soft wine with sweet tannins and ripe red fruits. Florals follow the dark cherry and plum, rose and lavender. Fruits and tannins slightly overbalance the acid - not enough to be flabby, just rich. However, it is a hint the wine is peaking, so if you have some, drink up. Lamb chops would be a nice pairing, particularly if you deglaze the pan with a little of the wine.
