## **2008 De Martino 347 Vineyard Reserve Cabernet**

WHO: De Martino Winery

WHAT: Cabernet Sauvignon

WHERE: Chile

WHEN: 2008

A nice offering from Chile. The name refers to all the vineyards from which the winery has sourced fruit. This one comes from three separate areas alone. Dark, with some hints of licorice, vanilla, and anise on the nose. This has some dark berry flavors but the fruit is not intense. Pleasant, if not overly lingering, finish. Try with grilled pork chops or sausages. GT
