

### **2008 De Martino Cabernet-Malbec**

WHO: De Martino

WHAT: Cabernet (50%), Malbec (50%)

WHERE: Maipo Valley, Chile

WHEN: 2008

This Chilean packs punch and finesse into the same glass in this nice blend of Cabernet and Malbec in equal parts. The nose is enticing with aromas of pine nuts and boysenberries. The fruit is forward but still seems to tantalizingly hold something back, and the tannins are nicely structured, not too intrusive. There is a yin and yang at work which makes you keep reaching for the glass to see what is going on here. Serve with a barbecued leg of lamb. GT
