The online wine magazine

NV Adami Bosco di Gica Brut Prosecco

WHO: Adami

WHAT: Prosecco

WHERE: Valdobbiadene, Italy

WHEN: NY

Begins with light aromas of pears and apple blossoms. Floral in both aroma and flavor, with pears and apples for fruit. Despite its lightness, does pair well with a number of foods, including fish and seafood. You could start the evening with this and continue through the first course of the meal. BSE
