2006 Gnekow Family Winery Old Vine Zinfandel Campus Oaks

WHO: Gnekow Family Winery

WHAT: Zinfandel

WHERE: Lodi, California

WHEN: 2006

This is simple, one-dimensional, jammy, and oaken. The fruit is slightly peppery sour cherry and raspberry. The oak is not integrated, but seems to bear almost no relationship to the fruit, coming to the palate after the fruit and overwhelming it. Even at this price point, this cannot be recommended. DH
