1999 Valley of the Moon Cuvée de la Luna

WHO: Valley of the Moon

WHAT: Cabernet Sauvignon, Merlot,
Cabernet Franc

WHERE: Sonoma County, CA

WHEN: 1999

Definitely showing some age. Garnet in color with a brick rim. On the nose it has aromas of dried cherry, plum, raisins, lots of spice, vanilla, dried flowers, earth, the slightest hint of bell pepper, and a little Brett. Dried fruit (prune) and floral flavors come through on the palate as well. Some cola and brighter cherry on the finish. RR
