2007 Mahoney Vineyards Montepulciano

WHO: Mahoney Vineyards

WHAT: Montepulciano, Sangiovese

WHERE: Carneros, CA

WHEN: 2007

Started with aromas of pepper, a mélange of oak and dill with briary, jammy fruit. Lighter in the mouth, the flavors were dominated by oak. The wine finished with light red fruit and some heat. On the second day, the wine fleshed out and displayed spicy, licorice notes above all. In the mouth, black cherry flavors were most distinct. Medium bodied the wine had good acids and supple, fine, slightly drying tannins. AZP
