

## **2008 Cinnabar Sorcerer's Stone**

WHO: Cinnabar

WHAT: Zinfandel blend

WHERE: Saratoga, California

WHEN: 2008

Rich plum and berry aromas up front. Pleasantly piney notes soon emerge, backed by hints of sweet oak. More time in the glass brings out subtle char and espresso aromas. It quickly becomes very tangy and ends very, very racy with a steely, scalpel-sharp note. Very fine tannins are slight, velvety textured, smooth and have a tea-like astringency. AZP
