2008 Los Vascos Reserve Cabernet Sauvignon

WHO: Los Vascos

WHAT: Cabernet Sauvignon

WHERE: Colchagua Valley, Chile

WHEN: 2008

A very black cherry nose, with lots of fruit. Also on the palate and in the finish. Very mild tannins and a bit of earthiness in the flavor. But with food the fruitiness is moderated and the tannins are enhanced. In fact, this wine is more balanced when consumed with dinner than before the meal. A nice accompaniment to meat and potatoes.
