## **2009 Marcel Lapiere Morgon**

WHO: Marcel Lapiere

WHAT: Gamay

WHERE: Morgon, Beaujolais, France

WHEN: 2009

A wine of singular suppleness and pleasure, with light, airy structure, a lovely red fruit, some slightly earthy notes, and a tendency to disappear remarkably fast from your glass. It just drinks itself effortlessly; a characteristic the French would call *gouleyant*. And with some charcuterie, a simple roast chicken or a pork roast, it becomes an intrinsic component of a successful meal. Highly Recommended. RC
