2007 Fairview Cellars Premier Series Cabernet Sauvignon

WHO: Fairview Cellars

WHAT: Cabernet Sauvignon

WHERE: Okanagan Valley, British Columbia

WHEN: 2007

Heavy oak integrates rather nicely in a supple and ripe Cabernet with fine tannins and just the tiniest herbal touch to give it an edge, along with some blackcurrant and spicy notes. Clocking in at 14.5% alcohol, it does have a tiny bit of heat on the finish, but with lasagna at the dinner table, it drank easily and with no heaviness. Recommended. RC
