

2007 Domaine Serene Evenstad Reserve Pinot Noir

WHO: Domaine Serene

WHAT: Pinot Noir

WHERE: Willamette Valley, Oregon

WHEN: 2007

Nice nose of raspberry and light earth. Feels lightweight on the palate, however. The fruit is there and pleasant enough, with notes of allspice and light currants, and the finish is nice, it's kind of all dressed up with nowhere exciting to go. Try with lamb kebabs. A nice enough wine, but for the price, this wine is not recommended. GT
