

2009 Domaine Debray Saint-Aubin Les Pucelles

WHO: Domaine Debray

WHAT: Chardonnay

WHERE: Côte de Beaune, France

WHEN: 2009

Great fruit hangs from the spike, Meyer lemon and pear are followed by light toast and a hint of butterscotch. All the fruit and wood, though, is wrapped tightly around limestone and acid. When first opened it was tight as a drum, all acid and tartness, but after a few hours the flavors and aromas broke free. Give it air or time in the cellar. Highly recommended. DH
