2008 Plumpjack Estate Cabernet Sauvignon

WHO: Plumpjack Estate

WHAT: Cabernet Sauvignon

WHERE: Napa Valley, California

WHEN: 2008

Somewhat disappointing on first taste with vegetal asparagus notes, but patience is rewarded. Eventually replaced by a nose of ripe blackberries and spices—a hint of anise, perhaps. Coats the palate nicely with soft tannins and chocolate and plum flavors. The finish is not overly impressive at first, but grows on you. In fact, this wine was even better the next day. Highly recommended. GT
