

2010 Viña Leyda Single Vineyard Kadun Sauvignon Gris

WHO: Viña Leyda

WHAT: Sauvignon Gris

WHERE: Leyda Valley, Chile

WHEN: 2010

Think of it as a good, cool climate Sauvignon Blanc in its citrusy, tropical, and herbal aromatics, meets a good, cool climate Chardonnay in its creamy structure and full body, with a lemon-rind finish thrown in for good measure. The cooling breezes from the Pacific Ocean help this wine to retain its vibrant, acidic verve while still appealing to the Chardonnay lovers out there. JR
