

2008 Girard Signature

WHO: Girard
WHAT: Meritage blend
WHERE: Napa Valley, California
WHEN: 2008

The nose is a little tight, suggesting blueberries and tobacco along with a light background of red fruits and licorice. It offers some interesting complexity in the palate, too, with loads of dark fruit, blackberry, elderberry, and blueberry, with a bright red fruit background. The mid-palate has coffee and licorice, the finish adds unsweetened chocolate. Tannins are very sweet, mouth-feel is very smooth. It would be at home with a steak or a great burger, or a fireplace and a friend. Highly recommended. DH
