

## **2006 Mendel Unus Malbec**

WHO: Mendel  
WHAT: Malbec (70%), Cabernet  
Sauvignon (30%)  
WHERE: Mendoza, Argentina  
WHEN: 2006

Definite luscious cabernet in the nose, dusty earthy and some minty eucalyptus in both nose and flavor. Smooth mouthfeel. Lighter on end-palate and in finish. Firm structure and moderate, well-integrated tannins. I would recommend aerating and/or decanting before drinking—which I did, but it remained a little too restrained for my taste. Recommended with reservations. BSE
