

## **2009 Corralillo Pinot Noir**

WHO: Matetic Vineyards  
WHAT: Pinot Noir  
WHERE: San Antonio D.O., Chile  
WHEN: 2009

An aroma reminiscent of the cherry juice that leaks out of a pie while baking, and caramelizes on the edge of the pan. A touch of florals, too. In the mouth the flavors become more intense, appearing sweeter on the end palate. But the wine finishes fairly dry with integrated tannins and acidity. There's a bit of alcohol on the exhale. Cherry-blackberry flavors dominate in the finish. Overall impression is sweet, light, easy-drinking and very New World. Recommended. BSE
