Stag's Hollow 2010 GVM

WHO: Stag's Hollow Winery
WHAT: Grenache, Viognier, Marsanne
WHERE: Okanagan Valley, British Columbia, Canada
WHEN: 2010

Coming from a cool vintage, it has an edgy, vibrant touch, combining the aromatics of Rhône varieties with a blend of lime and tropical flavors. Crisp, it also has good weight and a fairly round mouth feel. Creating a unique profile and balance. It is, at this point, a very young wine. A year or two in bottle will round it out, and it may well have several more years of life in it. Highly Recommended. RC
