

2008 Cade Cabernet Sauvignon

WHO: Cade
WHAT: Cabernet Sauvignon, Merlot
WHERE: Howell Mountain, Napa, CA
WHEN: 2008

A great big ripe woody cult Cabernet. The nose has fresh ground French roast coffee, shaved baker's chocolate, blueberries and black raspberries. The palate is blackcurrant, plum, vanilla, dark chocolate, leather, and buckets of dusty tannins. It is soft on the palate, sweet, rich, even luxurious. This is not a particularly delicate or finely balanced wine. DH
