

**2009 Gauchezco "Plata"
Malbec**

WHO: Gauchezco
WHAT: Malbec
WHERE: Mendoza, Argentina
WHEN: 2009

Very light violet aromas. On the palate this opens with lush berries, blueberry and elderberry, vanilla, cloves, and violets. Vanilla and cloves show more on the mid-palate, with fruit sweetening to pure blueberry. The overall feel is very lush, with silky tannins, moderate acids, and a long finish that ends where it started, with violets lingering. Well-priced for the quality, drink this and spend the money you saved on prime filet to match. Highly recommended. DH.
