

Palate Press

The online wine magazine

2009 Rodney Strong Symmetry

WHO: Rodney Strong

WHAT: Cabernet Sauvignon, Merlot, Malbec, Cabernet Franc

WHERE: Alexander Valley, California

WHEN: 2009

This is very young, aggressive, mint and black currant over black cherry. Tannins are aggressive, acids high. This shows great promise, but it is very young. Hide it in the cellar for at least five years. If you can't wait, pair it with a very well marbled ribeye. Highly Recommended. DH
