

**2011 Craggy Range  
Kidnappers Vineyard  
Chardonnay**

WHO: Craggy Range  
WHAT: Chardonnay  
WHERE: Hawkes Bay, New Zealand  
WHEN: 2011

The grassy, herbal side of chardonnay in aroma and flavor, though it does turn more leanly mineral on the palate. A hint of a metallic taste on the end-palate and in finish when warm, which mostly recedes into some citrus in the finish, making it important to drink this wine very cold. Pairs with light meals like seafood. BSE
