

2009 Robert Jordan Vineyards Cabernet Sauvignon

Who : Robert Jordan Vineyards
What : Cabernet Sauvignon
Where : California, Napa Valley
When : 2009

The nose is surprisingly understated, blackberries over a light aroma of vanilla. It is larger on the palate, offering up dark fruits cradled in silky tannins. Blackberries and mulberry lead, tobacco leaf and a hint of tar peak through on the mid-palate as the fruit takes a turn toward black cherry, followed by rich mocha that lingers on the finish. Tannins are soft but abundant. The mouth-feel is luxurious. Drink with local lamb. Highly Recommended (92). DH
